You are Butterfree!

Only 1 Butterfree was captured in the survey.

Now resting in your PokéBall, you are a **living specimen** for study.

Work with your trainer and fellow Pokémon to complete the mission!

Taxonomy classification:

Pokemonia > Arthropoda > Insecta > Lepidoptera > Pieridae > Aporia > Aporia humida

### **Pokémon Trainers Shout-outs**

A huge thank you to **Laura Russell**, **André Heughebaert**, **Kate Ingenloff**, **Mikhail Podolskiy**, **Cecilie Svenningsen**, **Marie Grosjean**, **John Wieczorek**, and **Tim Robertson** – our Gym Leaders for their tireless support and guidance!

Extra thanks to **Maxime Coupremanne**, **Pablo Deschepper**, and **Charlie Plasman** for bravely joining the test run of the game demo. You were the very first to catch 'em all!
