

The Viridian Forest
Survey

Congratulations, **Pokémon Trainer!**

You're leading a **single-event Survey** of **flying bug-type Pokémon (Arthropoda)** in Viridian Forest. Armed with your PokéNet, **you'll catch, record, and identify** – and the Pokémon you encounter are your teammates!

Work with your fellow Pokémon to complete the mission!

Trainer's log

Event date: 2025-10-17

Locality: Viridian Forest

Site count: 1

Protocol name: net sweep

Event duration: 15 minutes

Pokémon Trainers Shout-outs

A huge thank you to **Laura Russell**, **André Heughebaert**, **Kate Ingenloff**, **Mikhail Podolskiy**, **Cecilie Svenningsen**, **Marie Grosjean**, **John Wieczorek**, and **Tim Robertson** – our Gym Leaders for their tireless support and guidance!

Extra thanks to **Maxime Coupremagne**, **Pablo Deschepper**, and **Charlie Plasman** for bravely joining the test run of the game demo. You were the very first to catch 'em all!
